## DEPARTMENT SEG LAW AND MOTION RULINGS

---

Case Number: BS166152   Hearing Date: February 21, 2018   Dept: SEG

City's Supplemental Brief is persuasive. Gov. Code 53097 requires compliance with "onsite" improvements, while the exception allows school districts to ignore ordinances relating to "offsite" improvements. This distinction changes the previous Tentative Ruling, which only enjoined hauling activities. The preliminary injunction should be granted as to both hauling activities as well as grading plans for "onsite" improvements.
